**GIANTS ANNOUNCE TENTATIVE 2012 REGULAR SEASON SCHEDULE**

*San Francisco Will Play AL West In Interleague*

**SAN FRANCISCO, CA** – The San Francisco Giants are scheduled to kick off their 2012 campaign at Arizona on Friday, April 6 and play their home opener against the Pittsburgh Pirates on Friday, April 13, the club announced today. It will be the ninth time since 2000 that the club has opened the season on the road.

Following the opening road trip to Arizona and Colorado, the Giants will return to the Shores of McCovey Cove for their first homestand of the year with a three-game series against both the Pirates and Philadelphia Phillies.

The 2012 season will feature an unbalanced schedule in which the Giants will play 18 games against each of their four National League West rivals -- Arizona, Colorado, Los Angeles and San Diego.

The Giants will face the American League West in interleague play, with a three-game home series against their 2010 World Series opponent Texas Rangers June 8-10, followed by a nine-game road trip to Seattle, Anaheim and Oakland June 15-24. The Giants will also host the A's May 18-20.

Additional highlights of the San Francisco Giants' 2012 home campaign include:

- 13 home weekends in all, including a pair of weekend sets against the Dodgers (July 27-29; Sept. 7-9) and one against the Cubs (June 1-4) and Braves (Aug. 23-26). Giants will play back-to-back weekends just once (June 1-4 and June 8-10).
- A pair of 10-game homestands, including the final homestand of the year against Colorado (Sept. 17-20), San Diego (Sept. 21-23) and Arizona (Sept. 25-27).
- Giants will face the Dodgers three times at AT&T Park: June 25-27, July 27-29 and Sept. 7-9.
- Giants will play 16 of their final 30 games at AT&T Park, with all 16 contests against NL West opponents.
- Home games on Memorial Day (May 28) and Labor Day (Sept. 3), both vs. Arizona.

**Limited Number 2012 Season Tickets Available**

Last month, the Giants released the remaining 1,800 season tickets available for sale for the 2012 season. To date, less than 800 season tickets remain available for sale for the 2012 season.
