

Couple of immediate concerns:

p. 6 – Are those really gross numbers? Do you really need both tables or just the one for the 2011 valuation?

p. 24 – I'm against showing the 25 year amortization. The only thing anyone has discussed is going to 20 years.

Carmen will follow up with more detail.

Attached is a draft of our presentation to the Police and Fire Fund on December 1st. Please note, it is not final, in particular, the cost impact numbers needed for slides 24 and 32. But I wanted to give you ample time to review the other aspect of the presentation.
